We are looking for a stylish self-starter with an eye for international trends and a flair for styling to join our VM team.

You will be working with our VM Manager, liaising with retailers and styling in-centre mannequins in alignment with Yellow Button trend reports.

You will have fashion training or have had previous experience with an eye for detail. Be able to work autonomously and within a team.

This is a wonderful opportunity to get your foot in the door of an established style provider.
